Microbiological Reviews considers for publication both solicited and unsolicited reviews and monographs dealing with all aspects of microbiology. Manuscripts, proposals, and correspondence regarding editorial matters should be addressed to the Editor, Dr. Howard V. Rickenberg, Division of Molecular and Cellular Biology, National Jewish Hospital and Research Center, Denver, CO 80206.

Microbiological Reviews (ISSN 0146-0749) is published quarterly (March, June, September, and December), one volume per year, by the American Society for Microbiology. The nonmember subscription price is \$70 per year; single copies are \$20. The member subscription price is \$16 (foreign, \$20 [surface rate]) per year; single issues are \$7. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Office, 1913 I St., NW, Washington, DC 20006 (area 202 833-9680).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

1984 Student Membership — American Society for Microbiology

1913 I St., NW, Washington, DC 20006

Any regularly matriculated student majoring in microbiology or a related field is eligible for election as a Student Member. Student Members have all privileges of membership except the right to vote and hold office in the Society.

Student Members receive the monthly *ASM News* and are entitled to subscribe to the Society's journals at member rates.

Memberships are initiated and renewed in January of each year. Unless there are directions to the contrary, membership nominations received prior to November 1 will be credited to the current year, and back issues of the selected publications for the current year will be furnished if available. Nominations received after November 1 will become effective the following January.
